Building an Endowment Lynda Moerschbaecher

You often begin the monumental task of building an endowment with few resources, little support and even less time. In this book you will learn how to overcome these pressures and also learn the process of setting up and securing an endowment fund. We will examine where money comes from, where it goes and how it grows. We will set forth rules and guidelines for its management. We will unlock and outline the ways in which an endowment fund can become a most effective fundraising investment. After reading this book, you will not only have a solid grasp of what endowment is and how it works, you will be ready to build an endowment right from the start.
