Encounters with Heaven & The Spirit World joseph martin

This is the story of one man's extraordinary encounters with angels, departed spirits and elves and fairies. When he was a child, joseph martin had an inherent sense that he was in some way connected to the spirit worlds around him. It was not until he met his guardian angel as a young adult, however, that he recognised his unique ability to see entities from the Spirit World. joseph explains how he initially believed the encounter with his guardian angel would be a one-off event; but quite unexpectedly, in 2006, he experienced an intense six-month period of spiritual encounters, when he travelled to outside the walls of Heaven, met departed human souls, and witnessed the spirits of Nature. He describes how all these amazing encounters occurred alongside his normal, everyday life, and reveals how the entities from the world of spirit communicated with him on each occasion.
