The Revelation of Jesus Christ prophecy discussed here is very much for the times in which we live. Additional information is given here about other end-time Bible prophecies—and especially those recorded by Daniel. We will find greater details about such things as the Investigative Judgment in heaven and related events that tell us when that investigation will include the living, as probationary time is coming to a close. These very difficult testing times may have already begun for all the living; and we do not need to be in the dark about it. 1Thessalonians 5:1-8. The helps given here are for the average person to read and compare directly with what the Bible says. We will use only Bible approved methods of study and avoid complex terms to help us all understand this important prophecy for our times. Jesus, the angel, and John all call this just one prophecy. Revelation 1:3; 22:10, 18, 19. So it will help to remember that in studying it. It's important to understand what the Bible says about final events—as will be described here—but it's even more important to be preparing now in order to stand firmly for the right through it all. And Jesus said we must give God and His instructions our highest priority. Matthew 6:24.
