The Teachers of Light reveal the real secret of number - through and by means of that which is known as the English Cabalah. The Cabalah is a system of theosophy, mysticism, and thaumaturgy marked by belief in creation through emanation and a cipher method of interpreting Scripture. The Master Teacher Agash has often referred to it as the numerology of the ancient Hebrews, and of the Atlanteans before that. We have lost sight of the basic aspects because we have divorced letters from numbers. The ancient Hebrews had no separate system for identifying number from words. This book will show that the English alphabet - 26 hieroglyphic symbols - was actually designed by the God Consciousness so that mankind in the 20th century will be better able to understand the nature of his BEING.
