The Last Longshoreman: A Chilling Tale of Crime and Corruption on the Boston Waterfront Marc Zappulla

Anthony “Tony” Costa grew up admiring his Uncle Dom—a made member of the New England mafia— so when Dom asks him to collect gambling debts from around the neighborhood, Tony is happy to help. Even after his uncle gets thrown in jail, he does his nephew a good turn from behind bars, getting him a job as a longshoreman on the Boston waterfront. The year is 1958, and Tony is only eighteen. His new job quickly teaches him what it will take to survive on the docks.

Tony and his violent new friend Butchie Shea soon carve out a life for themselves on the pier. But when Butchie convinces him to take desperate, brutal action against an adversary, Tony realizes just how badly his criminal lifestyle has tainted him. He vows to go straight and focus on his wife and family—but old habits die hard, and the opportunity of a lifetime yanks Tony back in. The job could lead to big rewards, but Tony might not see just how risky it is until it’s too late.
