An Anthology of Sisterhood is a collection of more than 100 original poems, essays, short stories and lyrics commissioned from twenty-two women who are joined in sisterhood through their membership in Delta Sigma Theta Sorority, Inc., an organization that promotes scholarship, service, and sisterhood and connects these women with a unique and inseparable bond. Each chapter of the book highlights a different author and allows her to share her voice and unique experience of sisterhood. Topics include positive relationships among women, spirituality, friendship, sorority life, sibling rivalry, and gender equity. The roster of contributors represents 10 states and includes educators, health professionals, politicians, business owners, artists, and writers. They are leaders in their community and within their organization.
