Besieged (A Jake Mahegan Thriller) A. J. Tata

Powerful, thrilling, and explosively authentic, the novels of Brigadier General A.J. Tata have won acclaim from President George W. Bush, Glenn Beck, and the bestselling masters of suspense. In *Besieged*, he tackles the rise of domestic terrorism in America—and puts his hero, Jake Mahegan, in the crackling center of a firestorm...

It starts with the unthinkable. A school under siege. A shooter in the classroom. A nightmare scenario that has become all too common in today's United States. But this time, former Delta Captain Jake Mahegan is there when it happens.

Checking in on the schoolteacher daughter of a colleague, Mahegan finds himself face to face with a merciless gunman rigged as a suicide bomber. Without warning, the school is attacked from the outside as well—and all hell breaks loose. The teacher shoots the gunman, Mahegan is knocked unconscious, and a twelve-year-old autistic girl named Misha is kidnapped.

When the smoke clears, Mahegan is left with a long list of unanswered questions—and a deeply personal mission to rescue Misha. Racing against the clock, his search will take him from the tech-fueled think-tanks of a North Carolina factory to the top-secret nerve centers of embedded Iranian agents. It's all part of a bigger, darker conspiracy that's taking domestic terrorism to a whole new level. And it's up to Mahegan to stop what could be the most devastating attack in U.S. history...

The perfect mix of style and substance that's as ambitiously plotted as it is exquisitely realized." --Jon Land, *The Providence Sunday Journal*
