'I was born in Argentina. I fought in Cuba, and I began to be a revolutionary in Guatemala.' Che Guevara was the most admired and beloved revolutionary of his time, the first man since Simon Bolivar seriously to plan to unite the countries of Latin America. This concise biography unravels Che's life, from his birth in 1928, the child of free-thinking radical Argentinian aristocrats, his youthful membership of Accion Argentina and his training as a doctor in Buenos Aires, through his witnessing of the fall of the new revolutionary government in Guatemala alongside its leader, Arbenz, his action as a commander in the guerrilla war in Cuba with Fidel Castro and his part in the reforming Marxist Cuban government, to his fight for liberation of the Congo and, finally, of Bolivia, where he was executed.
