The drawings in this book are inspired from beautiful mandalas found in many different religious and cultural traditions. The meaning of mandala comes from Sanskrit meaning "circle". Mandalas offer balancing visual elements, symbolizing unity and harmony. To create a concentric theme I selected a center point then built them out with radial lines and small shapes to make this book "Mandala Adventure". *A different approach was used compared to other mandala coloring books. Each design covers the whole page to give a new feel (symmetrical designs with an asymmetrical placements on the page) and offers up the whole page for coloring, instead of just a circle centered on every page.* Come Like us on Facebook and share your results!
