The Wizard's Pocket Guide To Crystal Elixirs David Atlas

This book covers the basic manufacture and use of Crystal Elixirs for Healing and Magic. Various methods of creation are covered as well as a volume of elixir recipes from the authors personal collection. Crystal Elixirs are a form of crystal healing, a complimentary healing practice utilizing the healing vibrations of different crystals, stones, and resins. Crystal Elixirs are one of the simplest forms of crystal healing to learn. No need to learn the different energy meridians and points to place crystals on. Anybody can learn the simple method described in this book and utilize the techniques immediately creating healing elixirs for yourself, friends, and family. The author covers the traditional and more modern, improved methods of creating elixirs. Using these methods you can create very complex and typically rare elixirs quickly and easily with minimal expense.
