Western Lights: A Collection of Essays on Buddhism Andrew Furst

Profound and thought provoking - Sharon Salzberg

A small jewel - Eric Swanson, co-author of the best seller The Joy of Living

Five stars - David Brazier, author of Zen Therapy, Founder of the Amida Order

Western Lights is a collection of essays from the viewpoint of a Western Buddhist teacher. It speaks about Eastern concepts like karma, hope, attachment, and emptiness from a personal perspective and in terms familiar to Americans. They're grounded in subjects like politics, science, psychology, heaven, and nature. I hope to help the reader find a personal connection to this ancient tradition and discover what it has to say about the challenges of contemporary life.
