A Month of Sundays: Villa Life in the South of France Ira Spector, Barbara Spector

A humorous account of an American husband and wife who stumble upon the perfect "Enchanted April" villa on the French Riviera near St-Tropez. But knowing little of the language and even less of the culture, will they find bliss - or the Bastille - as they attempt to live among the French. Think of Peter Mayle meeting Francis Mayes on the Cote d Azur. A Month of Sundays is a must read for those of you interested in the pros and cons of villa rentals - whether your preference is Provence, Tuscany, or any other destination. Although finding that dream villa involves more effort than booking a hotel room, the enhanced cultural experience, the extra privacy, the additional space, and the lower cost for room and board will make you wonder why you ever vacationed any other way. "I CHUCKLED, HELD MY BREATH, SHOOK MY HEAD IN DELIGHT . . ." ~Elinor Griffith, Senior Editor, Reader's Digest
