But that's what this is, isn't it? The ultimate bitch fight.

When John takes a break from his boyfriend, he accidentally meets the girl of his dreams. Filled with guilt and indecision, he decides there is only one way to straighten this out . . .

Mike Bartlett's metrosexual play about love and longing provides us with questions of who we are and who we want to be. John's refusal to fix his identity disturbs and disrupts the lives of those around him in this contemporary tale of sex without nudity and struggle without violence. Mike Bartlett's punchy story takes a playful, candid look at one man's sexuality and the difficulties that arise when you realise you have a choice.

Cock premiered at the Royal Court Theatre, London, on 13 November 2009.

It is published here in the *Modern Classics* series, featuring an introduction by Mark O'Thomas.
