**A tenacious FBI agent is forced to operate outside the system to save the country.**

WHAT IF – A secret cell of ruthless and brilliant extremists possess the blueprint for the ultimate demise of America?

WHAT IF – America's misfortunes over the past twelve years are not chance happenings and the slow, steady decay of the United States hastened by economic instability, educational decline, and supposedly natural disasters are part of a master plan?

WHAT IF – The erosion of the American Constitution is part of an orchestrated effort to destroy the United States of America from the inside out?

WHAT IF – A tenacious FBI agent begins to connect the dots but is forced to operate outside the system, breaking a full page of regulations and even a few laws to save the country and stop the terrorists?
