From Now Until Then: An Eschatological Review of End Time Issues Dr. Billy Lindsey

This book is definitely a book on prophecy. It starts with the church age and ends with an understanding of the millennium. It is not intended to be an in-depth study of any of the topics covered. However, the writer believes the reader will come away with his appetite for more in-depth study of many of the topics, topics that are not often dealt with to the satisfaction of the reader. Topics such as:

- * the resurrected body
- * dress
- * transformation of the saints
- * seven years in heaven (I can't wait)
- * the throne
- * worship and fellowship

The chapter on the seventy-five days is so exciting. Have you ever thought about ruling and reigning with King Jesus? There are some things that have to happen between now and the Rapture. Perhaps both the Psalm 83 and Ezekiel 38 and 39 wars will take place. It is so interesting to try to place these wars with all that's taking place in the world today. Then there is the millennium, when the saints will rule and reign with King Jesus for one thousand years. Hallelujah, I can't wait!
