Promethea

Alan Moore

Promethea Alan Moore

Written by Alan Moore; Art by J.H. Williams III, Mick Gray and Jose Villarrubia; Painted cover by Williams and Villarrubia The second volume of the critically acclaimed, multiple award-winning series PROMETHEA is every bit as good as, if not better than, the first volume - and we don't make that statement lightly! This collection follows Sophie Bangs, the latest in a long line of Prometheas, on a winding journey of discovery as she continues to learn the secrets of the Immateria...and herself. Her transcendental adventure brings young Sophie to realms of magic and wonder that none have experienced before. Collecting PROMETHEA issues #7-12, this book contains such fan-favorite stories as Rocks and Hard Places, where Sophie learns about the Promethea named Bill, and Sex, Stars, and Serpents, where Sophie learns some...er...valuable lessons. Moore - the most lauded writer in the history of comics - and the fan-favorite art team of Williams & Gray combine their talents for a unique vision in comics that Entertainment Weekly has given an A- - describing the creative team as seemingly hell-bent on reinventing the art of comics storytelling.

From reader reviews:

Nicole Rockwood:

Book is definitely written, printed, or descriptive for everything. You can know everything you want by a guide. Book has a different type. As it is known to us that book is important thing to bring us around the world. Alongside that you can your reading ability was fluently. A book Promethea will make you to possibly be smarter. You can feel much more confidence if you can know about every little thing. But some of you think that open or reading a book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you in search of best book or suited book with you?

James Fitzgibbons:

The book Promethea can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the good thing like a book Promethea? Some of you have a different opinion about reserve. But one aim in which book can give many details for us. It is absolutely proper. Right now, try to closer along with your book. Knowledge or details that you take for that, you can give for each other; you could share all of these. Book Promethea has simple shape but the truth is know: it has great and large function for you. You can seem the enormous world by available and read a e-book. So it is very wonderful.

Samantha Graham:

You may spend your free time to read this book this publication. This Promethea is simple to bring you can read it in the recreation area, in the beach, train and also soon. If you did not have much space to bring typically the printed book, you can buy typically the e-book. It is make you easier to read it. You can save the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Nicholas Buchanan:

Book is one of source of understanding. We can add our know-how from it. Not only for students but additionally native or citizen have to have book to know the change information of year in order to year. As we know those textbooks have many advantages. Beside many of us add our knowledge, can also bring us to around the world. By the book Promethea we can acquire more advantage. Don't that you be creative people? Being creative person must like to read a book. Simply choose the best book that appropriate with your aim. Don't always be doubt to change your life with that book Promethea. You can more pleasing than now.
