## Queen Cocaine: A Novel Nuria Amat

Following the footsteps of a writer persecuted because of his ideas and tortured by his own frustrations, a young Catalan woman embarks on an adventure in the jungles of Colombia where her familiar world shatters and from which nothing emerges unharmed.

Confronted by solitude in a region where it rains incessantly, she discovers, first in her lover, then in the people around her, the alarming signs of a devastating war. In a narrative that swings between intimacy and horror, she bears witness to a hell in which she abandons everything except the language she has had to reinvent, as her only refuge, to speak about the thousand new faces death has shown her.

**Nuria Amat** was born in Barcelona, where she now lives.
