## **The Arabian Art of Taming and Training Wild and Vicious Horses: How To Turn Wild Horses Into Gentle Beasts. P. R. Kincaid**

While many horse training books are written specifically for experienced trainers, The Arabian Art of Taming and Training Wild and Vicious Horses breaks the mold. It's a comprehensive and highly accessible resource written specifically for the non professional horse owner. P. R. Kincaid gives you the principles of a new theory of taming wild horses, which is the result of his many experiments and a thorough investigation and trial of the different methods of horsemanship still currently in use. Written over 100 years ago, it is still considered the standard reference with basic lessons in foundation training with clear, step-by-step instructions meant to give every horse owner the ability to bring a green animal or one from troubled beginnings to a point where both horse and rider have the essential skills to pursue any equestrian discipline with confidence.
