This book is a reprint of the report of the U.S. Gold Commission originally published in the Congressional Record, Government Printing Office, Washington D. C., 1982. As with all federal government publications, this work is public domain. Paul blamed the Federal Reserve for inflation, and spoke against the banking mismanagement that resulted in the savings and loan crisis. The U.S. Gold Commission created by Congress in 1982 was his idea, and this marvellous commission minority report was the great result.
