If there is no GOD, then Life is meaningless, and we live simply to die. If there is no GOD, then there is no reason for all our questions, of Why? JAG has been told that since the dawn of Reasoning, man has asked questions. The Full Suit of Armor is the compilation of answers and conclusions that JAG has found through his journey of life thus far. Each chapter is a book that centers around a main theme usually the chapter title. These smaller books have been combined to form the "Full Suit" the individual titles have been written over the last twenty-five years. Through JAG poetry: thoughts, hopes, beliefs, and learned lessons are expressed and in some instances examined mostly with the intent to provide clarity to himself as to what he hope his tomorrows may hold for him. By sharing The Full Suit of Armor to all who choose to read its content, it is JAG's prayer that it benefits each of you in a positive manner.
