The Imperfection of Swans Brandon Witt

Kevin Bivanti's dream is to open a wedding dress shop, a place with the stunning gowns to make every bride-to-be feel adored. At thirty-eight, he quits a successful advertising career to buy an old brownstone in a trendy Boston neighborhood and to make his dream a reality. When one of his cosigners drops out, fate intervenes, ushering in Casper James, who hopes to open his own bakery. With Casper willing to take the risk, their ambitions meld into a wedding dress and wedding cake boutique.

Extensive renovations to the brownstone, an affair with his ex-husband, family drama with his mothers, and the anxiety of significant life changes push Kevin to the brink of a nervous breakdown. In the midst of stress and uncertainty, Casper becomes more than a business partner, a mutual attraction that adds another layer of intensity and risk.

With their dreams on the verge of reality, Kevin and Casper must find the courage to face the stress of managing their attraction, the gamble of a new business venture, and the resurgence of Kevin's personal demons.

From reader reviews:

Charles Payne:

What do you think about book? It is just for students since they are still students or that for all people in the world, the particular best subject for that? Simply you can be answered for that query above. Every person has different personality and hobby for every other. Don't to be pushed someone or something that they don't need do that. You must know how great and important the book The Imperfection of Swans. All type of book could you see on many methods. You can look for the internet methods or other social media.

Sharon Grace:

What do you in relation to book? It is not important along with you? Or just adding material when you need something to explain what yours problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to perform others business, it is make you feel bored faster. And you have extra time? What did you do? Everyone has many questions above. The doctor has to answer that question because just their can do that. It said that about book. Book is familiar on every person. Yes, it is proper. Because start from on guardería until university need that The Imperfection of Swans to read.

Donna Solano:

Reading a e-book tends to be new life style in this era globalization. With studying you can get a lot of information that will give you benefit in your life. With book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors nowadays always try to improve their talent in writing, they also doing some research before they write to the book. One of them is this The Imperfection of Swans.

Bradford Bryant:

Your reading sixth sense will not betray a person, why because this The Imperfection of Swans guide written by well-known writer whose to say well how to make book that may be understand by anyone who else read the book. Written throughout good manner for you, still dripping wet every ideas and composing skill only for eliminate your current hunger then you still hesitation The Imperfection of Swans as good book but not only by the cover but also by the content. This is one publication that can break don't evaluate book by its cover, so do you still needing another sixth sense to pick this specific!?! Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.
