The Red Virgin and the Vision of Utopia Mary S. Talbot

The creative partnership of acclaimed writer and academic Mary M. Talbot and graphic-novel pioneer Bryan Talbot has produced some of the most challenging and entertaining graphic novels in recent memory, including 2012's Costa Award medalist *Dotter of Her Father's Eyes*. *The Red Virgin and the Vision of Utopia* explores the life of revolutionary French feminist Louise Michel, a visionary teacher, poet, and radical who took up arms against a reactionary regime that executed thousands. Even deportation to a distant penal colony could not stop Michel from taking up the cause of the indigenous population against French colonial oppression.
