At some point in time, every Games Master will need this adventure - after all, it is the lot of players to constantly get into trouble with the law, and one day they will cross the line. . . Featuring an entire planetary prison, Prison Planet will integrate new arrivals into a life behind bars, working dangerous mines, surviving feuding factions and, possibly, allow an escape. With different lists of guards and in-mates, Prison Planet can even be used more than once with the same group of players (for those who do not learn the first time around. . .), and promises several sessions of tense, fraught challenges where the players find themselves cut off from the rest of society.
