Jacob Exposed: Jacob Exposed: Marco's MMA Boys (Volume 5) S M Donaldson

Jacob Foster knows all too well about living a life of lies and deceit. After a string of bad cases working for the CIA, he's tired of the undercover world and agency politics. Needing to find himself again, he leaves everything behind to move home. Letting his focus be on helping his sister and her newborn son, he pushes the past behind him. Life goes on, years go by, and he finds normalcy. Roxanne Gilliland knew nothing but the life the ATF created for her from childhood. Following in her father's footsteps, she's let the agency direct her world. But there is always the one case that comes along. That one case takes everything and everyone away from her. She moves on—new town, new life, but the threat never leaves her mind. What happens when an old friend lands on her front porch and everyone's secrets threaten to be exposed? They knew each other as agents. Later, they went from friends to lovers. When Jacob is forced undercover as a fighter to win against the past, is he strong enough to win the match and Roxanne's heart? • *Intended for mature audiences only 18+* • This book contains strong language, strong sexual situations, violence, and sexual assault/rape, which may be triggering to some survivors. • This is not meant to be a true or exact depiction of how federal agents would do their jobs or how the cases would work, rather it's a work of fiction meant to entertain. This book is part of a series, but can be read as a standalone.
