Baby Blues makes life with children seem funny, even when they smear peanut butter on the walls and give the baby a makeover with Mom's cosmetics. Says writer Jerry Scott, ""As long as kids keep having runny noses and wiping them on the drapes, we're in business.""

Our Server is Down captures the perils and pratfalls of raising young children in suburbia. Daryl and Wanda MacPherson are a couple in their mid-thirties struggling to juggle work and three kids with hectic schedules and maintain their sanity.

Zoe, the talkative eldest, is seven and more worldly than ever. Hammie is the newly anointed (by the recent birth of baby Wren) middle child. At age five, he's a willing student for Zoe and a virtual Velcro board for blame. Wren is the newest addition to the MacPherson clan-so far, all giggles and sunshine . . . with a few clouds on the horizon.

Parents worldwide have delighted in this slice-of-life comic since its debut in 1990.
