Vermont Seasons 2016 Calendar 11x14 William Johnson

Vermont looks rural and beautiful because it is both those things. With a population of just over 600,000 people and 150,000 cows, space for farms, fields and forests is abundant. There are, of course, 237 towns and nine cities, but they don't interfere much with the green mountains, lakes, and rivers. The cheese and the maple syrup are great and the views are spectacular.
