Millions of people have simply disappeared, and the world's in an uproar. In the twinkling of an eye, everything changes—because Jesus has returned for His people!

If you enjoy end-times fiction, you'll love this perspective on the rapture, as Sydney Watson's classic novel of Christ's return takes place in turn-of-the-twentieth-century London. What happens when thousands of Christians simply disappear? Why are some people taken while others remain? Eyewitness Tom Hammond, a journalist, will find out. Fast-paced, exciting, and thought-provoking, this edition of *In the Twinkling of an Eye* has been lightly abridged and updated, and specially typeset for optimal reading.
