## It Stephen King

“A landmark in American literature” (*Chicago Sun-Times*)—Stephen King’s #1 national bestseller about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers...an evil without a name: *It*.

Welcome to Derry, Maine. It’s a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real.

They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city’s children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry’s sewers.

Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including *Bag of Bones*, *Hearts in Atlantis*, and *11/22/63*. But it all starts with *It*.

“Stephen King’s most mature work” (*St. Petersburg Times*), “It will overwhelm you... to be read in a well-lit room only” (*Los Angeles Times*).

### From reader reviews:

#### **Raquel Black:**

Here thing why this particular It are different and reliable to be yours. First of all reading through a book is good but it really depends in the content of the usb ports which is the content is as delightful as food or not. It giving you information deeper as different ways, you can find any reserve out there but there is no publication that similar with It. It gives you thrill studying journey, its open up your own eyes about the thing this happened in the world which is might be can be happened around you. It is easy to bring everywhere like in playground, café, or even in your technique home by train. In case you are having difficulties in bringing the imprinted book maybe the form of It in e-book can be your alternative.

#### **Shalon Dougherty:**

Reading can called thoughts hangout, why? Because when you are reading a book particularly book entitled It your mind will drift away trough every dimension, wandering in each aspect that maybe unfamiliar for but surely will end up your mind friends. Imaging every word written in a book then become one type conclusion and explanation that maybe you never get before. The It giving you one more experience more than blown away your brain but also giving you useful facts for your better life on this era. So now let us show you the relaxing pattern this is your body and mind will probably be pleased when you are finished studying it, like winning a. Do you want to try this extraordinary investing spare time activity?

#### **Stephen Morgan:**

Do you one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you never know the inside because don't ascertain book by its cover may doesn't work this is difficult job because you are scared that the inside maybe not because fantastic as in the outside appear likes. Maybe you answer could be It why because the fantastic cover that make you consider in regards to the content will not disappoint you. The inside or content is actually fantastic as the outside or perhaps cover. Your reading sixth sense will directly show you to pick up this book.

#### **Gloria Lafreniere:**

Reading a publication make you to get more knowledge from it. You can take knowledge and information coming from a book. Book is written or printed or outlined from each source in which filled update of news. Within this modern era like now, many ways to get information are available for anyone. From media social such as newspaper, magazines, science book, encyclopedia, reference book, story and comic. You can add your understanding by that book. Isn't it time to spend your spare time to spread out your book? Or just seeking the It when you desired it?
