Reversibility of Chronic Disease and Hypersensitivity, Volume 5: Treatment Options of Chemical Sensitivity

William J. Rea, Kalpana D. Patel

Reversibility of Chronic Disease and Hypersensitivity, Volume 5: Treatment Options of Chemical Sensitivity William J. Rea, Kalpana D. Patel

The clinical approaches to the chronic degenerative diseases that drain our resources, and compromise our well-being, have become almost exclusively symptom-focused. The common wisdom is that they are idiopathic with final outcomes to be managed rather than prevented or cured. That they are potentially reversible rarely enters into any discussion between doctor and patient. This final volume offers a much different perspective on chronic degenerative disease, one that disputes the idiopathic label attached to most, as well as the usual fatalistic prognosis.
