Solviva: How to grow \$500,000 on one acre, and Peace on Earth Anna Edey

This book is about one woman's vision and commitment to learning to live sustainably and in harmony with life on Earth. Since 1976 Anna Edey has made one astonishing discovery after another, developing methods of sustainable living under the name Solviva Solar-Dynamic, Bio-Benign Design. The results of her experiments and methods have again and again exceeded highest hopes and expectations.

Solviva describes the exciting trials and triumphs of her journey and offers convincing proof that we can, with today's technology and knowledge, live in ways that reduce pollution and depletion of resources by 80 percent or more, and at the same time reduce the cost of living and improve the quality of life in urban and rural locations. *Solviva* contains 155 color illustrations and detailed instructions and recommendations to help others along their own journeys toward living sustainably.
