One day the village faces a big challenge, and because of Kana-chan the kokeshi doll is born. Kokeshi dolls have been popular in Japan for over two hundred years. In Fukushima, one master artisan told him that the first carvers did not actually sell these dolls, but rather made them for their daughters. This fact gave Sunny an inspiration to connect with a recent natural disaster to create his story. Join him as you discover his possible answer to the mystery of the first kokeshi dolls.
