Christ's Basic Bodies: Embracing God's Presence, Power, and Purposes in Holistic Small Group Life, Cell Groups, Home Groups, Life Groups, and Biblical Communities Ralph. W. Neighbour, Jr

This book reveals the source of stagnant small groups... focusing on everything except the presence of Christ!

Ralph Neighbour does an excellent job explaining the mindset of the current small group member, who worships a historical Jesus, not an everlasting, indwelling Christ. Pastors understand this distinction, but small groups are not filled with seminary graduates, are they?

You and your small group ministry will be powerfully impacted by what Neighbour has to offer in this book!
