Erotic Collection 12 C J Edwards

Another six hot erotica stories from Charlotte Edwards. A hot, sexy collection of miscellany to excite and entertain. Lady Kathryn's Nemesis. Lady Kathryn's trials continue when her Mistress hands her over to the only person she despises, the sex shop girl Chanelle. Forced to treat her as a Mistress, Kathryn is abused and tortured by the younger woman before they make love to one another and discover a connection they had no idea existed. A Shunt in the Rear. Middle age couple Lesley and Dave had been watching their lovely nineteen year old neighbour Millie for some time. Having an open marriage, they often included other women in their sex games and they were both salivating at the idea of playing with the delicious young woman. A lapse of judgement on Millie's part puts her hugely in the couple's debt and all of a sudden, they have their chance. The Torrence's Pet Teen. College girl Millie was still deeply in debt to her middle aged neighbours and they made sure she knew it. Marching next door to sort things out with them, she soon found herself naked in their hallway with Mr Torrance's lips around her nipples and his hand in her crotch. The hopelessness of her situation is soon made clear as she is collared and taken to a party as their pet. Milking the Younger Sister. Sarah the stunning young health and safety inspector had adapted to her life as a human cow surprisingly well. Joel the dairy farmer now looked after all aspects of her former life for her, managing her finances, emails and text messages. And then, all of a sudden, a desperate email from her younger sister leads to the sluttish and over-confident Melissa turning to him for help out of desperation. Joel was only too willing to welcome her into his herd. Deflowered by the Ski Instructor. Kurt the German ski instructor has a couple of new targets in his sights; all American college girls Sam and Edie. He invites the two up for a quiet drink with him and his gorgeous lesbian partner and they won't be leaving with their cherries intact. Blacked Back Home. Maggie, Tess and Jane are back from Barbados and have left that debauched lifestyle behind to return to normal life. At least they had until Erol and Marcie turn up on their doorsteps. Almost immediately, Jane and Maggie are pulled back into their slut roles for the dominant Barbadians and when Maggie's rich and well-bred tennis partner turns up at the wrong time, Anthea gets a taste of black cock too.
