Helmut Newton's Illustrated Helmut Newton

Between 1985 and 1995 Helmut Newton published his most powerful pictures in his own magazine, Helmut Newton's Illustrated. Only four issues were ever published, and these rare collector's editions have now been combined in one volume. In its mix of erotic nudes and provocative journalistic photography, Helmut Newton's Illustrated documents some of the strongest visual images of the past two decades. Salon reports that the photographer who gained worldwide notoriety for his stylish portraits of naked women says he will never shoot nudes again; Helmut Newton's Illustrated showcases much of the last work in his signature genre.
