Out on a Limb: A Single Father's Guide to His Family's Lore of the Jungle Simon James Turner

Out on a Limb, A Single Father's Guide to his Family's Lore of the Jungle, is a book that is not backward in coming forward, and nor can it afford to be. In the lives of modern Australian men many things are placed in the 'too-hard basket', and gaining the care of their kids after a divorce or separation is one of them. Written by a single father who journeyed into the jungle of family lore to find his son, this book contains simple and practical suggestions drawn from his experience and a chanced but valued conversation. It is not legal advice, nor is it gospel but what this contains is many answers to a multitude questions any single father on a similar journey will have. For when it's time for a father to make his journey through this jungle to find 'what's best for his kids', what he will discover is all he needs is some guidance, a lot of patience and a bit of help to reach an agreement. "Out on a Limb" is a much needed, practical, down-to-earth, easy read for any bloke battling to avoid a war and remain a father to his children. This book proves that strength is a virtue not a weapon, well done Simon." - Ian (Watto) Watson, (Founder of "Shed Happens" and author of "Every Bloke's a Champion... Even You!") www.outonalimb.com.au
