Many teens enjoy theater arts and debate and grow intellectually, creatively, and socially from their experiences in these areas. Today technological tools offer exciting options for play, skit, and debate participation. Readers learn how to use digital tools to help them research, plan, write, and present their own theater and debate material. The author presents easy-to-use, inexpensive apps and tools they can use throughout the process, from brainstorming ideas to tracking audience responses. Further, digitally savvy actors and debaters fulfill the Common Core Standard of using technology to interact and collaborate with others and to produce and publish their writing.
