Principles of Comparative Politics Gregory Mahler

Debuting in its first edition, *Principles of Comparative Politics* emphasizes the analysis of institutions, giving readers an accessible and concrete cross-national introduction to the political world. Surveying themes and countries, this brief text lays out the major elements of a political system—executive, legislature, political behavior, and more—and examines them in Britain, France, Germany, Russia, Mexico, China, Kenya, and Canada. *Principles of Comparative Politics* helps readers understand the mechanisms that drive politics and appreciate the variations among them.
