**To Grandmother's House We Go and Stay: Perspectives on Custodial Grandparents** Carole B. Cox PhD

This book addresses the growing phenomenon of grandparents assuming responsibility for raising their grandchildren. Cox has assembled an impressive team of psychologists, social workers, and nurses, as well as lawyers and sociologists. They draw on their experience to explore the grandparent-grandchild relationship and its intricacies. Lack of preparation, social isolation, psychological and emotional stress, and financial strain all contribute to the myriad of issues involved in this new wrinkle in the American family. Additional topics include: ethnicity and diversity, social services and interventions, and policy reforms. This book will be of interest to all social workers and gerontologists working with custodial grandparents and their grandchildren.
