Business adventures

John Brooks

Business adventures John Brooks

From Wall Street to Main Street, John Brooks, longtime contributor to the *New Yorker*, brings to life in vivid fashion twelve classic and timeless tales of corporate and financial life in America.

What do the \$350 million Ford Motor Company disaster known as the Edsel, the fast and incredible rise of Xerox, and the unbelievable scandals at General Electric and Texas Gulf Sulphur have in common? Each is an example of how an iconic company was defined by a particular moment of fame or notoriety; these notable and fascinating accounts are as relevant today to understanding the intricacies of corporate life as they were when the events happened. Stories about Wall Street are infused with drama and adventure and reveal the machinations and volatile nature of the world of finance. John Brooks's insightful reportage is so full of personality and critical detail that whether he is looking at the astounding market crash of 1962, the collapse of a well-known brokerage firm, or the bold attempt by American bankers to save the British pound, one gets the sense that history repeats itself. Five additional stories on equally fascinating subjects round out this wonderful collection that will both entertain and inform listeners. . . *Business Adventures* is truly financial journalism at its liveliest and best.

From reader reviews:

Richard Strohm:

Do you have favorite book? In case you have, what is your favorite's book? Book is very important thing for us to find out everything in the world. Each e-book has different aim as well as goal; it means that e-book has different type. Some people really feel enjoy to spend their time and energy to read a book. They are reading whatever they consider because their hobby is reading a book. Think about the person who don't like reading a book? Sometime, particular person feel need book once they found difficult problem or maybe exercise. Well, probably you'll have this Business adventures.

Samantha Smith:

Information is provisions for folks to get better life, information today can get by anyone with everywhere. The information can be a knowledge or any news even a concern. What people must be consider whenever those information which is from the former life are hard to be find than now's taking seriously which one works to believe or which one the actual resource are convinced. If you have the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Business adventures as the daily resource information.

Delbert Storey:

A lot of people always spent all their free time to vacation as well as go to the outside with them household or their friend. Did you know? Many a lot of people spent many people free time just watching TV, or even playing video games all day long. In order to try to find a new activity this is look different you can read the book. It is really fun to suit your needs. If you enjoy the book which you read you can spent 24 hours a day to reading a reserve. The book Business adventures it is extremely good to read. There are a lot of people that recommended this book. These were enjoying reading this book. When you did not have enough space to create this book you can buy the actual e-book. You can m0ore quickly to read this book from a smart phone. The price is not to cover but this book offers high quality.

Sharon Wilson:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book had been rare? Why so many concern for the book? But virtually any people feel that they enjoy for reading. Some people likes reading through, not only science book but novel and Business adventures or even others sources were given information for you. After you know how the good a book, you feel wish to read more and more. Science book was created for teacher or perhaps students especially. Those textbooks are helping them to add their knowledge. In additional case, beside science reserve, any other book likes Business adventures to make your spare time a lot more colorful. Many types of book like this.
