French illustrator and artistic director Nicolas Obéry has created a digital art style all his own. His series "FANTASMAGORIK" blends realism and fantasy through black and white portraits that combine photographic elements with poetic visuals, creating striking digital paintings. Reminiscent of Steampunk and Geekdom, Obéry's main goal was to recreate a parallel, surreal world by reinterpreting mythical elements and characters. Widely known for his interpretive portraits of iconic stars of pop culture, like Marilyn Monroe and Lady Gaga, Obéry's stunning style is as unique and recognizable as his unbridled imagination. We've collected some of his most popular and extraordinary images for you to enjoy throughout the year.
