## Game of Secrets: A Novel (Random House Reader's Circle) Dawn Tripp

Jane Weld was eleven years old when her father, Luce, disappeared in 1957. His skiff was found drifting near a marsh, empty except for his hunting coat and a box of shotgun shells. No one in their small New England town knew for sure what happened until, three years later, Luce's skull rolled out of a gravel pit, a bullet hole in the temple. Rumors sprang up that he had been murdered by the jealous husband of his mistress, Ada Varick.

Now, half a century later, Jane is still searching for the truth of her father's death, a mystery made more urgent by the unexpected romance that her willful daughter, Marne, has struck up with one of Ada's sons. As the love affair intensifies, Jane and Ada meet for their weekly Friday game of Scrabble, a pastime that soon transforms into a cat-and-mouse game of words long left unspoken, and dark secrets best left untold.
