I Was Saved by the Bell: Stories of Life, Love, and Dreams That Do Come True Peter Engel

Peter Engel, one of the most prolific producers in television with more than 1,000 episodes produced under his banner, single handedly created the teen sitcom with *Saved By The Bell*, which he executive produced through all of its many incarnations, and which led to his many other teen series. As if defining and conquering the teen arena wasn't enough, Peter produced the iconic *Last Comic Standing*, enabling the discovery of an entirely new, fresh generation of comedians.

Peter's work was inspired by his own personal journey that took him through the injustices of the 1950s; meeting JFK and working for his election in 1960, with the catastrophic letdown that followed; his dream in the 1970s of making "important" television; his loves, marriages, family, and faith; and, in the 1990s and 2000s, finding his greatest success where he least expected it. Along the way, Peter encountered some of the most iconic personalities of his times.

I Was Saved by the Bell is the chronicle of Peter's amazing journey. His stories will make you laugh, cry, and want them never to end. Together, they are a master class on life from the perspective of a man who grew up during a time of great uncertainty and came of age in an era of hope and promise. With the ups and downs of the decades as a backdrop, Peter opens his heart and shares the experiences of his own good times, bad times, reflection, redemption, and, ultimately, joy and satisfaction of a life lived the only way he could--with passion.
