IT IS TIME Marck E. Estemil

I can reflect on many events that that have shaped my life. The first of which is as a child born in Haiti. Though born healthy, I eventually became very sick. I had already learned to walk but sickness caused me to digress to the point I was on the brink of death. My mother earnestly prayed for my wellbeing. She promised God that if I were to recover to full health that she'd instruct me to become a mouthpiece for His word and to preach the gospel. Almost immediately, God answered her prayers. I do not remember this moment because I was a young toddler, but my mother always reminded me of the promise she had made to God. She always encouraged me to seek God for answers and to make God a vital part of my life. I have always loved God but I did not feel that it was necessarily my calling to preach His word. Instead I became a professional designer working for globally recognized advertising companies. That is until several years ago when the Lord Himself began calling me to ministry through some intense dreams. Some of the dreams were very specific and others I do not understand their meaning and purpose as of yet. I now feel a strong conviction that I should continue to seek His purpose, and to share the gospel TRUTH with others. The Lord inspired me to write my first book "It is Time". This book is a presentation of God's love and His Law. It will challenge you to acquire a deeper understanding of scripture as it relates to your everyday life and traditions. It will use scripture from The Holy Bible to point out truth, unapologetic to errors of the past, regardless of its source. "IT IS TIME"
