Rowans Ruin

Mike Carey

Rowans Ruin Mike Carey

What's to Love: The team of Mike Carey (Suicide Risk, The Unwritten) and Mike Perkins (Deathlok) come together for the first time since 2005's Spellbinders for a taut horror thriller set in their native England. If you're a fan of horror films like Insidious and The Conjuring, or comics like Curse and Nailbiter, you'll love how Rowans Ruin unfolds as it slowly clues you in on the terrifying secret that is at the heart of the story.

What It's About: Katie has always had things pretty easy, growing up in comfortable circumstances in Florida. But when she finds herself with a long summer break before grad school, she decides to do a house-swap with a British girl, Emily, as a way to vacation relatively cheaply—and to get out from under her parents' attentiveness. England is great, so different from Florida, and the house, called Rowans Rise, is charming. But soon she starts having nightmares—really, really, strong ones. Curious, Katie researches the owners of the house, and discovers it may have more of a sinister history than she thought..

From reader reviews:

Charles Valentine:

Information is provisions for people to get better life, information nowadays can get by anyone at everywhere. The information can be a understanding or any news even a huge concern. What people must be consider if those information which is inside the former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one often the resource are convinced. If you obtain the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen inside you if you take Rowans Ruin as your daily resource information.

James Fulk:

People live in this new day of lifestyle always aim to and must have the time or they will get lots of stress from both daily life and work. So , if we ask do people have free time, we will say absolutely yes. People is human not only a robot. Then we request again, what kind of activity are you experiencing when the spare time coming to you of course your answer will probably unlimited right. Then do you ever try this one, reading guides. It can be your alternative within spending your spare time, typically the book you have read is actually Rowans Ruin.

Alex Miller:

In this period of time globalization it is important to someone to obtain information. The information will make professionals understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of recommendations to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher in which print many kinds of book. The actual book that recommended to your account is Rowans Ruin this e-book consist a lot of the information on the condition of this world now. That book was represented so why is the world has grown up. The language styles that writer make usage of to explain it is easy to understand. The particular writer made some exploration when he makes this book. That's why this book ideal all of you.

Jennifer Knott:

Is it you actually who having spare time then spend it whole day through watching television programs or just lying down on the bed? Do you need something new? This Rowans Ruin can be the answer, oh how comes? The new book you know. You are therefore out of date, spending your spare time by reading in this fresh era is common not a geek activity. So what these guides have than the others?
