The Rule of Won Stefan Petrucha

The secret of The Rule of Won is simple, yet its power has been suppressed for generations. The universe is one of infinite abundance—ask, and you shall receive.

Umm, yeah right. Meet Caleb Dunne, slacker extraordinaire. Caleb prefers to glide through life with the minimal amount of effort, so he isn't too jazzed when his overachieving girlfriend, Vicky, convinces him to join a new school club based on a controversial book, *The Rule of Won*. Slackers don't join school clubs, do they? As *The Rule* gains popularity, though, the club members start to gain power within the school. From dark posts on the club's online message board to all-out threats in the hallways, it becomes apparent that the group is getting out of control. For slacker Caleb, though, the only thing worse than *doing* something is *not* doing something.

Darkly funny and exceptionally thought-provoking, *The Rule of Won*, inspired by the ideas behind books like the runaway hit *The Secret*, shines a light on the dangers of group thinking and the inner desires that can sometimes get the best of us all.
