**A Christmas Day at the Office (A Day at the Office) Matt Dunn**

**One Christmas party. Two merging companies. Free-flowing champagne. What could possibly go wrong?**

With her new billionaire boss in town, Sophie's determined to swap the No-Jobs she meets on Tinder for her very own Steve Jobs. But will looking like a million dollars be enough to kick-start a *Fifty Shades* adventure?

A ring in his pocket and dressed to kill, Calum's planning to get down on one knee. Though if Mia doesn't say 'yes', he's not sure he'll ever get back up.

Julie's got a surprise for Mark—though it's something she's not even sure *she* wants. Meanwhile, Mark's got another choice to make: the love of his life, or the opportunity of a lifetime?

With his job on the line, and the ex who broke his heart back on the scene, Nathan's day is becoming a nightmare. But he's about to meet the woman of his dreams.

This year's office Christmas party should be a night to remember—but for five of Seek Software's employees, it might be one they'd sooner forget.
