## Herpetofauna Worker's Manual

"The Herpetofauna Workers' Manual" is currently under consideration for a reprint (there is no timescale available on how long this decision will take to be made at present). It is an indispensable manual for conservationists throughout the UK and much of mainland Europe. It provides conservation guidance on the twelve non-marine amphibian and reptile species native to the British Isles. It covers a wide range of issues, from advice on surveying to reintroductions.
