Looking for Me

Betsy R. Rosenthal

Looking for Me Betsy R. Rosenthal

One of 12 siblings growing up in depression-era Baltimore, Edith isn't quite sure of who she is. Between working at her father's diner, taking care of her younger siblings, and living in the shadow of her more mature sisters, Edith feels lost in a sea of siblings. When a kind teacher encourages Edith to be a teacher herself one day, Edith sees prospects for a future all her own. Full of joy, pain, humor, and sadness, this novel in verse is a wonderful look at the life of Edith Paul, the author's mother, and is an enduring portrait (complete with family photos and an author's note at the end) of one family's pursuit of the American dream.

From reader reviews:

Teresa Hennessey:

Have you spare time for the day? What do you do when you have considerably more or little spare time? Yes, you can choose the suitable activity regarding spend your time. Any person spent their spare time to take a walk, shopping, or went to the actual Mall. How about open or read a book titled Looking for Me? Maybe it is being best activity for you. You recognize beside you can spend your time together with your favorite's book, you can wiser than before. Do you agree with their opinion or you have additional opinion?

Sergio Hawkinson:

What do you concerning book? It is not important along? Or just adding material if you want something to explain what you problem? How about your free time? Or are you busy person? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Every individual has many questions above. They have to answer that question due to the fact just their can do in which. It said that about publication. Book is familiar on every person. Yes, it is suitable. Because start from on guardería until university need this kind of Looking for Me to read.

Irene Delong:

Do you have something that that suits you such as book? The reserve lovers usually prefer to decide on book like comic, brief story and the biggest an example may be novel. Now, why not attempting Looking for Me that give your enjoyment preference will be satisfied through reading this book. Reading habit all over the world can be said as the means for people to know world considerably better then how they react toward the world. It can't be explained constantly that reading addiction only for the geeky person but for all of you who wants to be success person. So , for all you who want to start examining as your good habit, you may pick Looking for Me become your own starter.

Manuel Frazier:

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Looking for Me can make you experience more interested to read.
