Mutual Insurance 1550-2015: From Guild Welfare and Friendly Societies to Contemporary Micro-Insurers (Palgrave Studies in the History of Finance) Marco H. D. Van Leeuwen

In the modern Western world, we tend to be insured by the state or for-profit insurers. We have privileged this system over mutual or micro-insurance, whose long and rich history we tend to forget. Yet, mutual and micro-insurance is becoming increasingly important, both in the Western and in the non-Western world and bears re-examination.

This book traces the track record of mutual insurance from 1550 to the present, examining provisions for burial, sickness, unemployment, old age, and widowhood. The author seeks to address such topics as the type of risks micro-insurance covered between 1550 and 2015; how it was organized throughout its history; who provided the coverage; and how contributions, benefit levels, and conditions have changed.

Importantly, the author explores why this system has worked through, and endured, the test of time. Mutual insurance can, for instance, overcome classic insurance problems such as adverse selection and moral hazards. The author demonstrates that the study of the position micro-insurance historically assumed in mixed economies of welfare presents interesting lessons for today's insurance market, as well as for today's mutualism.

From reader reviews:

Robert Crawford:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge even the information inside the book that improve your knowledge and information. The information you get based on what kind of e-book you read, if you want get more knowledge just go with schooling books but if you want feel happy read one along with theme for entertaining such as comic or novel. The actual Mutual Insurance 1550-2015: From Guild Welfare and Friendly Societies to Contemporary Micro-Insurers (Palgrave Studies in the History of Finance) is kind of guide which is giving the reader unstable experience.

Johnnie Lewis:

Information is provisions for folks to get better life, information these days can get by anyone from everywhere. The information can be a knowledge or any news even restricted. What people must be consider any time those information which is in the former life are hard to be find than now could be taking seriously which one works to believe or which one often the resource are convinced. If you receive the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Mutual Insurance 1550-2015: From Guild Welfare and Friendly Societies to Contemporary Micro-Insurers (Palgrave Studies in the History of Finance) as the daily resource information.

Brandon Macdonald:

A lot of people always spent their free time to vacation or maybe go to the outside with them family members or their friend. Did you know? Many a lot of people spent they free time just watching TV, or even playing video games all day long. If you would like try to find a new activity here is look different you can read a book. It is really fun for you. If you enjoy the book that you just read you can spent 24 hours a day to reading a reserve. The book Mutual Insurance 1550-2015: From Guild Welfare and Friendly Societies to Contemporary Micro-Insurers (Palgrave Studies in the History of Finance) it is extremely good to read. There are a lot of people that recommended this book. These were enjoying reading this book. When you did not have enough space to bring this book you can buy the e-book. You can m0ore effortlessly to read this book from your smart phone. The price is not very costly but this book possesses high quality.

Jennifer Gallant:

The reason why? Because this Mutual Insurance 1550-2015: From Guild Welfare and Friendly Societies to Contemporary Micro-Insurers (Palgrave Studies in the History of Finance) is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will jolt you with the secret the idea inside. Reading this book next to it was fantastic author who all write the book in such amazing way makes the

content within easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of gains than the other book possess such as help improving your expertise and your critical thinking approach. So , still want to postpone having that book? If I ended up you I will go to the book store hurriedly.
