# Pilots and What They Do

## Pilots and What They Do

The pilot flies the airplane along with his co-pilot.

He has to make sure the passengers arrive safely.

That's why he has to keep an eye on things like the altitude and the plane's speed during the flight. The airport control towers that he passes over tell him how and where he has to take off, fly and land.

An instructive, engaging picture book for toddlers about airline pilots.
